RE: Review of Draft TAM 2006 Annual Report, Agenda Item 9

Dear Commissioners:

**Executive Summary**

TAM is required to prepare and adopt an annual report each year demonstrating progress made to achieve the objective of improving the transportation system in Marin County. The Annual Report must address usage of the ½ cent transportation sales tax , Measure A, in Marin County. TAM also utilizes the Annual Report to describe all of TAM's other activities. The attached draft TAM 2006 Annual Report was developed to describe TAM's accomplishments in 2006 as well as provide a vision of what's coming up in 2007. The Board reviewed and approved the design and distribution plan of TAM's 2006 Annual Report last month. Staff is presenting the draft 2006 Annual Report with contents for your review.

The Draft TAM 2006 Annual Report will be sent to you under separate mailing for review prior to the meeting, as well as posted on the TAM website.

**Recommendation: Discussion Item. Staff is seeking feedback and comments from the Committee. Staff will then finalize the report based on comments from the Committee and bring the final draft back for the approval of the TAM Board in April.**
